

Vancouver Boat Show – Serach Boats on Display

Virtual Boat-Listing Showroom

Act by: November 18, 2016

Amazing Exposure at no cost! The Vancouver Boat Show will feature a “*Virtual Showroom*” on their website. This provides the website with a comprehensive listing of boats on display at the show. **Boatdealers.ca** will be operating this showroom as the “*Official Boat Listing Service*” of the show.

The image shows a desktop view of the Boatdealers.ca website on the left and a smartphone displaying the mobile version on the right. The desktop view features a navigation bar with links like 'Show Info', 'Education', 'Highlights', 'New Boaters', 'Exhibitors & Products', 'For Media', and 'For Exhibitors'. Below the navigation bar are filters for 'Category', 'Class', 'Sort By', and 'Vehicle Count'. The main content area displays a list of boat listings, each with a photo, make, model, year, length, and links for 'Photos', 'Details', 'Description', and 'Booth'. The smartphone view shows the mobile interface with the Boatdealers.ca logo and a large image of a boat.
